

## DIAGNOSTICS

We use scientifically sound psychometric tools to assess the intellectual, academic, social, emotional, and behavioral functioning of students in schools.

## CONSULTATION

We foster relationships with parents and educators to create an effective partnership aimed at improving learning.

## ADVOCACY

We strongly believe that all children are entitled to instruction that meets their learning needs and we help make that possible by supporting school districts and parents in implementation of necessary services.

## *Our mission*

Clarity Assessments affects positive change in the lives of exceptional children through the use of sound psycho-educational diagnostic and close collaboration with parents and schools.

*We would love the opportunity to connect and start a conversation about embarking on a new learning journey!*
